Weekly Round-up

Friday 9th Dec 2022

Happy Friday Everyone!

Our year 3/4 choir went out to visit Hardwick Dene residential home on Monday with Mrs Farmer to share a range of carols. The visit was really enjoyed by the residents who joined in with the more traditional carols. We were also joined by Father David who enjoyed an encore with the children. We were very proud of all the children involved and we had a great afternoon.

Term times

Bake Sale Success!

Thank you to everyone that took part in last week's Bake Sale, from the Year 6's and their parents who did all of the beautiful baking, to those generous families who came along and purchased the yummy bakes! We are overjoyed to announce that the sale has raised an amazing £268.56 which will be used to buy new sensory support equipment. Thank you all so much!

On Wednesday 14th December we will be having Christmas dinner, to add to the celebrations the children can wear something Christmassy like a bit of tinsel, Christmas badge, sparkly hair or Christmas jumper - school uniform should still be worn.

Christmas menu here!

As the Christmas dinner is on Wednesday that the kitchen will be serving pizza, pasta or wraps on Thursday instead and the menu will return to normal on Friday.

A reminder for those children who have entered our World Cup Sweepstake, that next week will be when teachers allow time for children who wish to, to present what they have learnt about their country. The parliament class representatives will then decide upon a winner.

As we hear so much about the 'Cost of Living Crisis' we have made the decision to support all the good work that Godmanchester Foodbank are doing as a school community. Therefore, if you are able to help, we have a donation box in our reception to take any ambient food donations for the Foodbank. Thanking you in advance for your generosity.

Check out 'Everything Environmental' on the website for plant-based recipes.

Live it! - Eco tip
Try not to use single use cups. If you do, ask everyone to write their name on their cup so the don't need to keep getting new ones.

Homework Talk

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.
