

# PSHE Knowledge Organiser Down at the Bottom of the Garden

Year EYFS  
Term Summer 1

What choices and actions can I make to help keep the environment around me as nice as it can be?

## Elements of looking after my world and being responsible and respectful

### Knowledge

The environment around me includes the school, my home, my community and my neighbourhood.

Things I do have an impact upon my environment and I need to be responsible for taking the best care of it I can.

Know that money is valuable and you can spend, save or donate it.

### Awareness

Looking closely at the environment around me- What is good? What could be improved? How can I help?

Being considerate and respectful is important and all of our responsibilities.

Money is used to pay for goods, services, food, toys, transport, housing, outings.

## Financial Capability

Money is coins, notes, bank cards and online banking accounts.

Money is earned and needs to be spent sensibly.

You can save money or donate money.

Not everyone has the same amount of money.

Money alone doesn't equal happiness.

### **Personal Responsibility**

- We are all responsible for taking care of surroundings. If we don't our environment will suffer.
- We can reduce, reuse, recycle and repurpose to help our environment.
