

SDG 6 Clean Water and Sanitation

We will be learning about the importance of conserving water and its importance on our health.

Welcome to our class newsletter for this half term. We are excited to share with you our learning journey.

In English...

Using our CLPE class text, we will be looking closely at character description and how the author's choice of words helps us to understand the characters and their actions in the story. We will be focusing on the use of adverb and adverbial phrases to improve our sentence structures.

In Computing
We will be learning how to program by using loops, patterns and how to debug.

In Maths...

We will be completing our focus this term will be completion of multiplication and looking more on perimeter and area. We will also be starting fractions and how to add them together.

In French...

To grown in confidence and gain more knowledge and skills to present themselves both orally and in written form in French.

In Science...

We will investigate states of matter and the water cycle.

In Geography...

We will be looking at rivers and how they impact our lives and use our knowledge of the water cycle.

In History...

We will be learning how the Ancient Romans have impacted our lives.

In DT...

We will be learning how pulleys are used and the mechanical advantage they give us.

In Art...

We will learn how to our represent ideas and emotions through weaving.

In Religious Education...

We are learning about Sikhism and their major celebrations.

In Music...

We will be finding out how different instruments can be used to represent different characteristics.

In PE...

We will be playing hockey and how to use different points of balance in gymnastics.

In PSHE ...

We will be looking at ways to maintain a healthy and safe lifestyle.

Other News:

PE

PE days are Tuesdays and Thursdays. Please ensure your child has their PE kit on these days.

Homework

Please read at home with your child at daily. Please read as much additional literature as possible. This could be magazines, chapter books, audiobooks, etc. These can all be logged in reading records.

Children will be able to complete AR quizzes at school.
