

SDG 14 Life below water

We will be learning about marine environments and how to care for and preserve them.

Welcome to our class letter for this half term. We are excited to share with you our learning journey.

In English...

We will be looking at the book by Michael Morpurgo, *Why the Whales Came*. Focusing on, verbs, nouns, prefixes, subordinating conjunctions and inverted commas. We will learn to write character descriptions, diary entries and balanced arguments.

In Maths...

we will continue to learn about multiplication and division with a further emphasis on learning the 4 and 8 times tables.

In Science...

we will be learning about soils and animal skeletons.

In History...

we will learn about the expeditions of James Cook.

In Art...

we will learn about the artist Scarpace.

In PE...

we will be learning hockey and dance.

In Computing...

we will be continuing to learn how to program.

In French...

we will be learning the names of French instruments.

In Geography...

we will learn about seas and oceans. We will look at human impact on coastal areas and learn about coastal erosion.

In Online Safety...
we are learning how to navigate around a webpage safely.

In Religious Education...

we will be learning about Hinduism.

In Music...

we will sing and perform.

In PSICHE...

we will be learning how to keep safe online

Our PE days are Thursdays and Fridays, please can the children make sure they have PE kit on these days.

Please ensure your children have a water bottle and coat in school everyday.

It really facilitates the children's learning if they have the equipment that they need with them everyday.

**It is useful for them to have a pencil, an orange pencil, whiteboard pen, ruler and glue stick
Thank you!**

This term we will start rehearsals for a production that will be performed next term. We will be asking for help with costumes towards the end of Spring 1.

**If you would like to contact the Year 3 team then please email:
year3@buckdenacademy.org**
