

Prior Learning (What we already know?):

- How to use an age appropriate game/app/program.
- How to use simple programming resources (Beebots and coding caterpillar).
- Explored technology during role play (tills/telephones/keyboards/calculators etc).

New Learning:

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
- Recognise common uses of information technology beyond school.
- Learn to take photos of key areas around school.
- Learn to print photos and create a collage.
- Learn to take photos using an iPad and Camera.
- Learn to use paint tools to recreate an image they have taken a photograph of.
- To experiment with different paint tools.

New Skills:

- To take a photo using an iPad.
- To take a photo using a camera.
- To use paint software.

Key Questions:

- Describe the process of how to take a photo using an iPad/Camera
- How do your pictures compare to your friends?
- What would you like to take photos of to create another collage and why?

Key Facts:

- A camera/iPad can be used to take photographs which can then be downloaded onto a computer to be printed.
- Paint Software can be used to draw pictures and recreate images.

Key Resources:

- iPads
- Camera
- Laptop
- Paint Software
- Printer

Can I do this?

- I can use a camera to take photos
- I can use an iPad to take photos
- I can log onto a laptop
- I can use paint to draw a picture
- I can use technology purposefully to create digital content
- I can recognise common uses of technology in school and at home.

Vocabulary:

- Print, Tools, Program, Create, Store, Retrieve, Technology, iPad, Camera, Paint, Photos.
