

Did the Athens lose to Sparta because of their different education systems? What other reasons might there be?

### Types of primary sources

#### Mythology

**Mythology** tells us about the religion and beliefs of those living in Ancient Greece. The Greeks had many gods who represented different aspects of their lives and different parts of Greece

#### Artefact (human made objects)

**Artefacts** can be found by an **archaeologist** e.g. pottery or coins

Other artefacts could include, birth certificates, artwork, tools, maps, clothing and buildings.

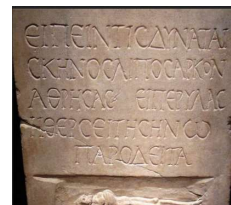

### Types of secondary sources

#### Painting

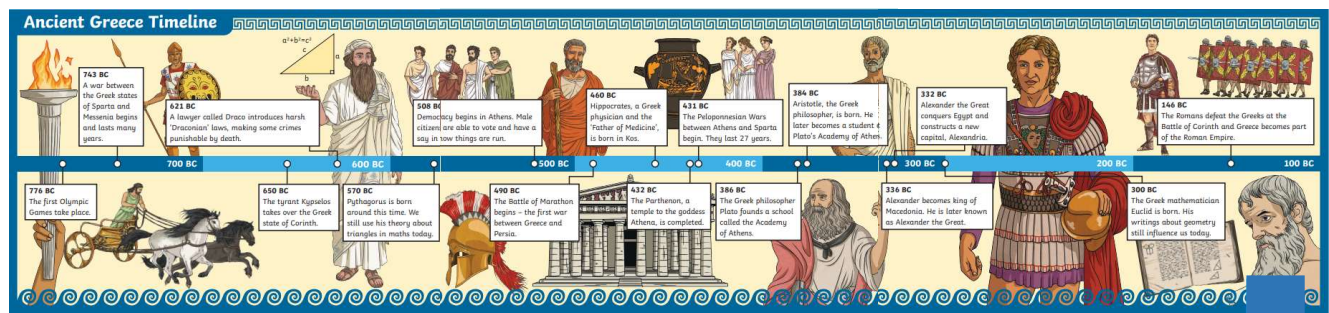

**Paintings** show a person's opinion on an event and so are not as reliable as artefacts.

#### Journals/diaries /letters

**Journals and diaries** record a person's experience at the time of an event.
