MAKE

EVALUATE

Where does fruit come from? Fruit needs different **climates** to grow, we **import** fruit from all over the globe.

Pineapples – Hawaii and Costa Rica

Bananas – Asia and Africa, India, China

Local Produce: Food that is produced a **short distance** from where it is **consumed**. In Cambridgeshire we grow different crops, fruit and vegetables.

Potatoes

Barley

Strawberries

Skills: Chopping Fruit
The Bridge Position

Skills: Peeling Fruit

Skills: Threading Fruit onto a skewer

Evaluate

- Was your project suitable for the user?
- Is your project pleasing to look at?
- What could you do better?

Vocabulary Tier 3

Threading	local
Chopping	global
Bridge Position	consumer
The Claw	distance
Knives	

Vocabulary Tier 2

Fruit

Knife Safety

- Pupils to be with an adult at ALL times when using knives.
- DO not walk around your classroom with knives, the blade needs to be pointed downwards.
- Listen and follow the adults instructions on how to cut food.
