

Soft Start

We recognise that sometimes things do not always go according to plan and for some children, coming into school is a challenge for one reason or another. For this reason, we created Soft Start.

Soft Start is a provision to support children who are finding the start of the school day challenging and would therefore benefit from a quieter, more relaxed entry into school. The children are offered a safe place to sit and relax, or chat to others in a small group and spend some time checking-in with an adult.

The provision runs from Monday-Friday 8.15-8.35am and entry is through HSH (Home School Hub) entrance at the front of the school next to the main reception. The children are met every morning by a member of the Hub Team and offered a light breakfast. Younger members are then escorted by an adult to their classrooms at 8.35am in readiness to start the school day at 8.40am.

This provision is invitation only. If you feel your child/children would benefit from a more relaxed, soft start to the school day, please contact a member of the Hub Team by emailing HSH@bpa.act-academytrust.org
