Design and Technology – Year 4 - Autumn 1 – Life on Land – Why is Biodiversity important?

Prior Learning (What we already know?):

- To research different types of habitats using a computer
- To label your design idea
- To make a habitat from wood
- To evaluate a range of existing designs
- To evaluate own product explaining how to make it even better

Key Questions:

- What has gone well?
- How could you improve it further?

Key Facts:

Design brief - is used at the start of a project for a team of people. It explains the purpose of the product, who will use it, where it will be used and where it might be sold.

New Learning:

- To design a picture according to a given brief

Key Resources:

https://www.bbc.co.uk/bitesize/topics/zck9q6f/resources/1

https://www.bbc.co.uk/bitesize/topics/zbcrd2p/resources/1

New Skills:

- Design a product, using a brief
- Evaluate their product, saying what they could improve for next time

- Evaluate
- Design brief

Can I do this?

- To create a piece of art according to their design
- To evaluate the success of their piece
