

Religious Education – Year 4 - Autumn 1 – Life on Land – Why is Biodiversity important?

Prior Learning (What we already know?):

PUPILS WILL KNOW THAT CHRISTIANS BELIEVE:

- God the Creator cares for the creation, including human beings.
- As human beings are part of God's good creation, they do best when they listen to God.
- The Bible shows that God wants to help people to be close to him — he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments).
- [Building block from EYFS: Christians believe God made our wonderful world and so we should look after it.

New Learning:

- The Bible tells a story (in Genesis 3) about how humans spoiled their friendship with God (sometimes called 'the Fall').
- This means that humans cannot get close to God without God's help.
- The Bible shows that God wants to help people to be close to him — he keeps his relationship with them, gives them guidelines on good ways to live (such as the Ten Commandments), and offers forgiveness even when they keep on falling short.
- Christians show that they want to be close to God too, through obedience and worship, which includes saying sorry for falling short.

New Skills:

- To begin to understand the diversity of belief in different religions, nationally and globally.
- Respond to meanings behind different beliefs and practices.
- Respond to the meanings of some religious and moral stories and express how these relate (directly) to right and wrong.

Can I do this?

- Place the concepts of God, Creation and the Fall on a timeline of the Bible's 'Big Story'.
- Offer suggestions about what the story of Adam and Eve might show about human nature and how to act.
- Describe how and why Christians might pray to God, say sorry, forgive and ask for forgiveness.
- Make links between what stories in the Bible say about human beings, and pupils' own ideas about how people should behave
