

Decent Work and Economic Growth: Geography: How does work affect the landscape?

Prior Learning (What we already know?):

Geographical skills and fieldwork

- how to use world maps, atlases and globes to identify the United Kingdom and its countries.

Key Questions:

Discuss how physical features can influence humans.

Explain why people move around our country.

What impact does this have on an area?

Describe the features of Milton Keynes/Welwyn Garden City.

Compare MK/WGC.

Evaluate how MK/WGC has changed over time.

Key Facts:

The population of Milton Keynes (MK) is 229,941.

The population of Welwyn Garden city is 51,735.

Geographic features are features of the Earth, natural or not. Natural geographical features consist of landforms and ecosystems. For example, terrain types (physical factors of the environment) are natural geographical features.

Human features refer to things around us that are built by humans, their physical characteristics include landforms, climate, soils, and hydrology.

New Learning:

Locational Knowledge

- name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time

Place knowledge

- understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom,

Human and physical geography

describe and understand key aspects of:

- physical geography, including: vegetation belts, rivers, mountains
- human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources.

Key Resources:

<https://www.britannica.com/place/Welwyn-Garden-City>

New Geographical Skills:

Geographical skills and fieldwork

how to use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.

Vocabulary:

Movement, population distribution, geographical features, compare, contrast, characteristics, housing congestion, newtown, overspill, borough, architecture settlement, City grid road system.

Can I do this?

- Can explain why Milton Keynes was chosen as a good geographical area for a newtown
- Can explain why Welwyn Garden City was chosen as a good geographical are for a new garden city.
- Can explain why Milton Keynes/Welwyn Garden City was built?
- Can explain who came to live in Milton Keynes/ Welwyn Garden City?
- Can explain what effect the newtown of Milton Keynes/ Welwyn Garden City had on the surrounding area?
- Can interpret a map exploring population density
- Can identify the geographical features of Milton Keynes and Welwyn garden city on a map
- Compare and contrast maps of Milton Keynes before and after 1967
- Compare and contrast maps of Welwyn Garden City before and after 1920
- Can define a Garden City.
