# Optimising our SCHOOL EFFECTIVENESS

## Improvement for ALL

Here is an overview of the areas of School Development that we will be focusing on in the coming academic year 2021-2022, to ensure that we continue to provide the very best that we can for our pupils

### 1 Development of Subject Leaders

Ensuring that all subject leaders are clear about the direction of their subject, know what the core offer is and ensure that there is equal access for all including those most vulnerable.

**Curriculum content that is relevant and purposeful**

**Every Leader is a Leader of SEND**

Ensuring that parents are clear about the expectations for their child and how they can support learning

Establishing a parent hub so that parents have a way to communicate with school. Developing a culture of open dialogue in order to support their child as much as possible.

### 2

### 3 Progress & Attainment

Developing the very best opportunities for all pupils, including the most vulnerable, to reach their full potential in the progress they make and what they attain. Leaders at all levels, including Governors, are fully aware of the attainment and progress of all. This year there will be a particular focus on Spelling and ensuring that Progress in Maths is accelerated where necessary through quality of teaching, provisions and informed judgements.

### 4 Metacognition & Long Term Memory

A focus on a clear understanding and embedding of metacognitive practices by both staff and pupils in order to accelerate progress across all subjects

Ensuring that 'WOW' moments and other strategies aid in embedding of knowledge in the long term memory of all pupils.

### 4

### 5 Collaborative Working

#### Developing Learning Partnerships for staff

Developing working practices that mean that staff work in a collaborative, supportive way in order to continue to develop pedagogy throughout the school.

#### Quality CPD

**Work Together  
Learn Together**

## Every Leader is a Leader of SEND

## Every Teacher is a Teacher of SEND

Whilst not a separate target on a school development plan the importance of SEND at Buckden CE Primary is very high

SEND provision is interwoven in to all the above priorities and forms a cornerstone of the offer we have here at Buckden.
