

Weekly Round-up

Friday 18th Nov
2022

Happy Friday Everyone!

We have had a very active day today in school, as most of the school participated as Skip2Bfit were in school teaching the children how to skip.

We would like to thank Emma Henry and Berry World for introduction, everyone has had a fantastic time.

Everyone who attended the Y5/6 girls football match at Somersham put in maximum effort after only a few weeks of playing together, showing great team work. The score was 7-1 to Somersham.

We are so proud of our Year 6. On Friday 11th November they attended the service at the War Memorial as part of Remembrance and were commended by members of the public for their excellent behaviour and the respect they showed. They have been looking at the impact that the war has and have created some amazing art work and poems that was displayed in church over the Remembrance weekend.

Don't forget!
If your child is using a pen can it be a blue ink pen, not a biro please.

Year 1 had a very exciting introduction to our new Global Learning Goal 'Industry, Innovation and Infrastructure'. The children put on their detective hats as we walked around our locality looking for the different industry that Buckden offers our community. We discovered that Buckden provides lots of different services to its community, from sports clubs to shops, beauty services to health care, we are very fortunate to live in such a fantastic village! The children were very engaged, so well behaved and we are incredibly proud of them!

We are looking forward to seeing you at our PTA Christmas fair tomorrow
11am - 3pm

We are expecting the school photos that have been ordered to be delivered at the beginning of December.

Check out 'Everything Environmental' on the website for plant-based recipes.

Live it! - Eco tip

Say no to dryer sheets. They may be convenient, but dryer sheets and fabric softeners contain chemicals that could harm your health, damage the environment, and pollute the air. Instead use a reusable dryer ball and some essential oils when drying your clothes, and voilà You'll have fresh-smelling clothes, free of static and wrinkles.

Homework

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.

Talk

- Acorn Adder Bluebell Bramble Dandelion
- Fern Heron Kingfishers Magpie
- Newt Otters Raven Willow Wren
