

Weekly Round-up

Friday 20th Jan
2023

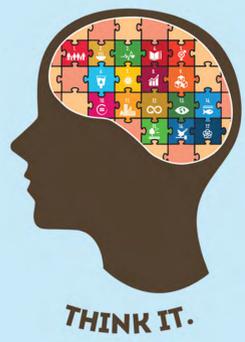

Term times

Happy Friday Everyone!

Adventures incoming...

Buckden Badger has been launched! To encourage exploration of our local area and enthusiasm for our Geography learning, children will have the opportunity to take their class Buckden Badger on an adventure and record these in our log book. Ask your child(ren) all about it!

THINK IT.

BELIEVE IT.

We are looking to recruit volunteers to help listen to children read here in school. Would you or someone you know be able to give up an hour or two a week to come into school on a regular basis? If you do then please email our office on office@buckdenacademy – All volunteers will need to have a DBS application by the school as safeguarding our children is a priority.

How much do you know about keeping your child safe online?

LIVE IT.

Live it! - Eco tip
Don't burn plastic. Burning plastic may seem like a better alternative to leaving plastic in landfills, but in truth, burning releases toxic chemicals into the air. The best option is to try to not use plastic at all!
