LANDING TIME

On Tuesday 15th June 2021
an unexpected surprise
came to Buckden school
in the morning.

That day one of the school
staff noticed that a hot
air balloon had landed
in the school field. On
the red hot air balloon
(which was a giant) there
was "Virgin" written in white.
He went to spread the word
to the rest of the school,
when the teachers heard this
they told their class to go
outside. When they did their
eyes lit up like candles and
then they rushed up to see
the balloon, their excitement
was going over the top
since there was a hot air
balloon in their school
field! After everyone
settled down, the balloon
was pulled down and the
people were told to go

Then everyone went
outside again now, only
the basket of the balloon
was left. Inside was,
Peter (the balloon
instructor) He showed
the games from the
barnier the quiet one
and the loud one.

Peter also answered
some questions from
the pupils and he said
that they were all good
questions. "I was sitting
in class and then the
teacher said to go outside
and I was completely amazed
when I saw a hot air balloon."
Ruby Thomas - After
the whole experience
the pupils were told to
write about what had
happened. The hot air
balloon was like a big
red tomato. "It was
amazing because I

Dani F. And that was
(probably) the best day ever
for Buckden School!!

And after they left (and
put the balloon on the
back of the truck
seriously deflated) they
were still talking about
the event but they weren't
so energetic about it any
more.

And that's everything
about the hot air balloon
