

Weekly Round-up

Friday 3rd March 2023

Happy Friday Everyone!

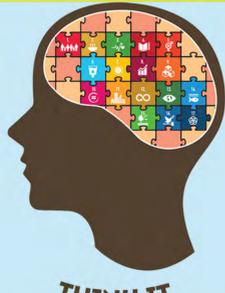

This Tuesday, Buckden School took 2 teams along to the Year 5 and 6 Quicksticks Hockey Tournament. The event took place at St.Ives Outdoor Centre and was run by The Hunts School Sports Partnership, with games being refereed by Sports Leaders from Hinchingsbrooke School - many of whom were past pupils from Buckden School. 12 schools from across the district took part in the event - a total of 24 teams. Both of our teams took part in 6 matches against other schools; they developed their hockey skills considerably throughout the afternoon - and also had much fun in the process! Both teams celebrated lots of success and showed exemplary sportsmanship in supporting each other. Our B Team finished 4th overall, and our A Team finished in 2nd place after a very tense final match! The players were a credit to the school and we are very proud of their performance.

Thank you to those Parents/Carers who visited the Art Exhibition at Hinchingsbrooke School on Saturday 18th February. Well done to the children whose work was chosen to be displayed.

From Reception - Isabelle and Finley, Year 2 - Margot and Jimmy, Year 3 - Ivy and Leon, Year 5 - Nevaeh and Year 6 - Eva.

I have displayed their Artwork in the school entrance hall, if you were not able to get to the exhibition please feel free to pop in and have a look.

THINK IT.

I am pleased to let you all know that the children will be joining in Access All Arts week, this is a nationwide, week-long celebration of the arts. The children will be creating a portrait of someone that is an inspiration to them within the school community. Between 19th – 23rd June 2023, we will be taking your children on a creative adventure with a whole host of resources. For 2023, the theme is identity and the children will be encouraged to use the arts to explore their own individuality and what makes each one of us unique.

The children's portrait's will be completed in school and submitted to the panel of artists within the Sky Arts team. The chosen portraits will then appear on the Sky Arts Channel. If you would like more information the Sky Arts website link is - Homepage - Sky Arts We look forward to hopefully seeing some of the children's portraits on television during Sky Arts week (19th-23rd June).

BELIEVE IT.

On Thursday 23rd February, Year 6 took part in the Huntingdonshire Rotary Club Quiz. Our team - comprising of 8 Year 6's - answered questions within the categories of General Knowledge, Geography and Plants and Animals. They impressed us immensely with their knowledge, and after all 3 rounds of 50 questions, finished in 3rd place out of 10 schools. Well done Year 6.

some of our reception class visited the Hardwick Dene Residential home to share their books with the residents.

RECIPES

Live it! - Eco tip

Reuse gift bags. Between the holidays, graduations and birthdays, there are many occasions when gift bags, tissue paper and other gift-wrapping items are in abundance. Save the gift bags and use them again for the next occasion.

LIVE IT.

Homework

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.
