

Weekly Round-up

Friday 10th March 2023

Term times

Happy Friday Everyone!

Last Thursday 2nd March, 12 Year 5-6 students participated in the Spring Term A Team Football Tournament at Brampton School. The group were fantastic and showed a range of team and individual skills which they can all be proud of. In their first match they put up a stout defence in the first half before scoring a fast break-away goal to win 1-0 against Brampton. Up next, another 1-0 win over Huntingdon mainly thanks to some fine last-minute tackles and goal keeping. Having just found their stride, the team had a well-deserved break before playing the same teams all over again. A well fought 0-0 draw with Brampton was followed up by a clinical 2-0 win against Huntingdon who couldn't defend against Buckden's long throws into the box. Overall, the team won the tournament and now move onto the next round to face against other teams who won their group. An excellent performance by all involved, underpinned with respect and spirit expected from all Buckden students.

We have been very lucky in Reception this week having a visit from a local Super Hero! Mr Hopkins brought along his tractor to show us and spoke to us about being a farmer. The children were very excited to sit inside the massive wheels.

Odd Socks Day- Everyone is Special!

We are celebrating World Down Syndrome Day on Tuesday 21st March and invite our children to take part by wearing odd socks to school on this day. Odd socks are used to highlight that everyone is different and unique in some way. We will be holding a special assembly on the day to highlight and raise awareness of Down Syndrome, as well as to celebrate our other differences. We will also be talking to the children about Equality and Equity, and how we support our children at Buckden by giving them what they need to succeed. For more information on odd socks day please go to www.worlddownsyndromeday.org

How much do you know about keeping your child safe online?
