

# THE RECYCLING SONG

- 1 Don't put your glass bottles in the trash,  
Put them in a box, you can do it in a flash.  
A lorry will take them, shine or rain,  
Then we'll grind them up and use them again.
- 2 Don't put your cardboard in the trash,  
Put it in a box, you can do it in a flash.  
A lorry will take it, shine or rain,  
Then we'll grind it up and use it again.
- 3 Don't put your paper in the trash,  
Put it in a box, you can do it in a flash.  
A lorry will take it, shine or rain,  
Then we'll grind it up and use it again.
- 4 Don't put your plastics in the trash,  
Put them in a box, you can do it in a flash.  
A lorry will take them, shine or rain,  
Then we'll grind them up and use them again.
- 5 Don't put your tin cans in the trash,  
Put them in a box, you can do it in a flash.  
A lorry will take them, shine or rain,  
Then we'll grind them up and use them again.
