Weekly Round-up

Term Times

**Back to School  
Reminder**

We hope you have a wonderful Christmas break! Just a quick reminder that school reopens on Monday, 5th January.

A Message from the Headteacher

As we come to the end of another busy and rewarding term, I want to take a moment to say a huge thank you to everyone who makes our school such a special place. To our amazing staff—your hard work, care, and dedication never go unnoticed, and I'm so proud of all that you've achieved for our children. To our wonderful parents and carers—thank you for your constant support and partnership; it truly means the world to us. I hope this Christmas brings you joy, peace, and plenty of time with loved ones. Wishing you all a magical festive season and a very Happy New Year.

A Message from All Teaching and Support Staff

Wow—what a wonderful way to end the term! A huge thank you for all the lovely gifts, cards, and kind words—you've truly sprinkled some extra Christmas magic around the school. Your thoughtfulness means so much to us and has brought plenty of smiles (and maybe a few happy dances!). We hope your holidays are filled with laughter, joy, and maybe a mince pie or two. Wishing you all a very Merry Christmas and a sparkling Happy New Year!

Festive News and Staffing Update

We're delighted to share some wonderful news—Miss Fozzard is expecting a baby! What a magical way to end the year. Please join us in sending her heartfelt congratulations as she prepares for this exciting new chapter. Miss Fozzard will begin her maternity leave after the February half-term. We're also thrilled to welcome Mrs Pyke-Milne to year 3, who will teach Rosen class on Mondays and support the class for the rest of the term. A big thank you to her for stepping into this important role and helping ensure a smooth transition for the children.

### A Fond Farewell and a Warm Welcome

This term, we say a heartfelt goodbye to Mrs Tarpey, who has been an incredible part of our school for over 10 years. Her dedication, care, and passion for teaching have made a lasting difference to so many children and families. Mrs Tarpey is moving on to more relaxing ventures, and while we will miss her enormously, we wish her every happiness in this exciting new chapter. Thank you, Mrs Tarpey—you will always be part of our school family.

At the same time, we are delighted to welcome Mr Geary, who will be taking over Year 5 and is looking forward to teaching and getting to know Wordsworth Class. We're excited to have him join our team and know he will bring great energy and enthusiasm to the role.

Please join us in celebrating Mrs Tarpey's incredible contribution and in giving Mr Geary a warm welcome to our school community.

### New Sketching Club with Miss Freeman

We're excited to announce that Miss Freeman's Sketching Club is now open for Year 2 and Year 3 pupils! This is a fantastic opportunity for children to explore their creativity and develop their artistic skills in a fun and supportive environment. Places can be booked via Arbor—don't miss out on this chance to join!

### Key Stage 2 Carol Concert - A Wonderful Success!

Our Key Stage 2 Carol Concert was a truly festive celebration! The turnout was fantastic, and the atmosphere was filled with joy and Christmas spirit. We're thrilled to share that we raised an amazing £200—with £100 donated to St Mary's Church and £100 supporting the Jubilee School in Kenya for textbooks as part of our Global Neighbours project. A huge thank you to all the children for their beautiful singing and hard work in making the concert so special. You were absolutely brilliant! And thank you to everyone who attended and contributed to this wonderful event.

What a perfect way to start Christmas!

What do you call an elf  
who sings?  
A wrapper!

What do you call Santa when  
he takes a break?  
Santa Pause!

What do snowmen eat for  
breakfast?  
Snowflakes!

Why is it always cold at  
Christmas?  
Because it's Decemberrrrr!

## Live it - Eco Fact

Tree Recycling: Many communities  
turn old trees into mulch or use  
them for habitat restoration—great  
for wildlife!

Homework

Talk

Linking learning from the classroom to life at home can  
help to improve language and communication skills.  
We will continue these discussions in class next week.
