Get ready, Year 1 – something wild is coming your way next month!

Safari Stu is returning to Buckden Primary, and he's bringing a whole bunch of amazing animal friends with him.

As part of their science learning, the children will meet snakes, lizards, mini beasts, and even some furry little mammals. They'll have the chance to get up close, hold some of the animals, and ask all their curious questions.

It's going to be a fun, hands-on adventure that brings the natural world right into the classroom. Book Via Arbor on the Trips section.

Year 6 Residential Trip -

Norfolk Lakes, September 2026

There will be an information meeting for current Year 5 parents and students about the upcoming Year 6 residential trip to Norfolk Lakes. The meeting will take place in Mrs Walker's classroom (next to the quiet area) on Thursday 29th January at 3.30pm and will last around 15 minutes.

During the session, we will outline key details about the trip and there will be time at the end for any questions you may have. Children are very welcome to attend.

# Erin's Fundraiser

Please consider donating to help find a cure!

Erin in Year 3 is taking on an amazing challenge this February to raise money for Brain Tumour Research. She was inspired by her uncle Matt, who is bravely fighting a life-limiting brain tumour, and she wants to help by joining the charity's "10,000 Steps a Day" challenge. Erin first hoped to raise £500, but thanks to everyone's kindness — with over £400 donated in just 72 hours — she's now aiming for £1,000. We are all so proud of her big heart and determination. If you'd like to donate and support Erin, [please follow the link.](#)

## Year 4 Residential Trip - Grafham, 20th May

Our Year 4 adventure to Grafham is getting closer — 20th May will be here before we know it! Over the next term, we'll be sharing more details with you, including packing lists and reminders about final payments, which are due by the end of April.

A quick reminder that payments can be made in instalments through Arbor, and you're welcome to chip away at the balance whenever it works for you.

Why did the teacher wear sunglasses? Because her class was so bright

Why was the maths book sad? It had too many problems.

What do you call a snowman at school? A cool student.

Why did the glue get good grades? It always stuck to its work.
