Weekly Round-up

Term Times

Join us in wishing our Year 5 and Year 6 pupils the very best of luck for their Young Voices performance at Wembley on Tuesday 3rd February!

Our amazing students have been working incredibly hard over the past few months, putting in endless enthusiasm and effort during rehearsals. Their dedication has truly paid off – they are sounding absolutely fantastic, and we couldn't be prouder of everything they've achieved.

Taking part in Young Voices is an unforgettable experience, and we know they will shine on the Wembley stage. It's a wonderful opportunity for them to showcase their talent, build confidence, and make memories that will last a lifetime.

We can't wait to hear all about their big day and celebrate their success when they return.

Good luck Year 5 and Year 6 – you are all absolute superstars!

Do you have some spare time and a passion for helping others?
We would love to hear from you!

We are looking for enthusiastic and patient volunteers to support our pupils with their reading in school. If you can spare 30 minutes or more, your time could make a real difference. By coming in to listen to children read, you'll be helping them build confidence, develop essential skills, and get the most out of their learning.

This is a wonderful opportunity to be part of our school community and play a meaningful role in supporting our young learners. Even a small amount of your time is incredibly valuable and greatly appreciated. If you are interested in becoming a reading volunteer, please contact the school office: office@bpa.act-academytrust.org to complete a volunteer form.

We would be delighted to welcome you into our team!

Get ready, Year 1 — something wild is coming!

On 10th February, Safari Stu will be visiting Buckden Primary School with an exciting range of animal friends. As part of their science learning, children will meet snakes, lizards, minibeasts, and even some furry mammals. They'll have the chance to get up close, handle a few of the animals, and ask lots of curious questions.

This hands-on experience is a fantastic way to bring their learning to life and explore the natural world in the classroom.

Year 4 Residential Trip - Grafham, 20th May

Our Year 4 adventure to Grafham is getting closer — 20th May will be here before we know it! Over the next term, we'll be sharing more details with you, including packing lists and reminders about final payments, which are due by the end of April.

A quick reminder that payments can be made in instalments through Arbor, and you're welcome to chip away at the balance whenever it works for you.

Parents' Evening - Booking Now Open on Arbor

Parents' Evening will take place next week and appointments are now available to book through Arbor.

ISP Meetings - 25th February
If your child has an ISP meeting, this will also need to be booked via Arbor. Please note that ISP meetings are slightly longer than standard Parents' Evening appointments, so you will not be able to book a separate Parents' Evening slot as well.

Brain Tumour Research

Please sponsor me!

Please consider donating to help find a cure!

Erin in Year 3 has taken on an inspiring challenge to raise money for Brain Tumour Research. Motivated by her uncle Matt, who is bravely living with a life-limiting brain tumour, Erin wanted to do something meaningful to help.

She has signed up for the 10,000 Steps a Day challenge and is showing amazing determination while raising both awareness and vital funds. Erin first aimed for £500, but after raising over £400 in just 72 hours, she has now set a new goal of £1,000.

We are incredibly proud of her kindness, commitment, and big heart. If you would like to support Erin, please follow the donation link.
