Year 2 Trip

Year 2 are excited to announce that this year's school trip will be to Woburn Safari Park on 11 June. Pupils will explore the park, encounter a wide range of animals, and take part in a guided coach tour around the reserve.

The cost of the trip is £26.50 per pupil, which covers transport, park admission, and the safari coach experience.

This visit is always a highlight of the year, offering children a memorable day of learning and adventure. We're very much looking forward to it.

A Little Visitor in Key Stage One...

We've had a sneaky case of nits make its way into Key Stage One — clearly they fancied a change of scenery! Please take a moment to check your child's hair and treat if needed. The sooner we evict these tiny hitchhikers, the better for everyone.

Thanks for helping us keep the classroom itch-free.

Summer BOSS Club-

We are excited to announce that BOSS will be running a Summer Club during the first two weeks of the summer holidays. Sessions will take place Monday to Thursday in the week commencing 20th July, and again Monday to Thursday in the week commencing 27th July. Keep an eye out for booking information coming soon.

Year 3 Trip

Year 3 Trip to Flag Fen Archaeological Centre

Year 3 will be visiting Flag Fen Archaeological Centre for their school trip this year. Pupils will explore the Bronze Age site, discover fascinating aspects of ancient history, and take part in engaging hands-on activities.

The cost of the trip is £26 per pupil, which covers transport, admission, and all activities.

This trip is always a highlight of the year, and we look forward to a fantastic day of learning and discovery.

Please can we ask all parents and carers to check that their contact details on Arbor are up to date. Recently, we've had a few occasions where we were unable to reach families due to outdated information. Thank you for taking a moment to review your details.

Year 6 SATS

As SATS begin next week, we want to ensure everyone is aware of the key dates and expectations. The tests will take place throughout the week beginning Monday 11th May. This is an important time for our Year 6 pupils, giving them the chance to show everything they have learned during their time in primary school.

You can help at home by making sure your child gets plenty of rest, arrives at school on time, and feels calm and prepared each day.

With Grafham now only two weeks away, we are asking all Year 4 parents to complete the important E-form, which includes medical information and emergency contact details.

A medicine form has also been sent home in your child's bag. If your child requires any medication for the trip, please complete the form and place it, along with the medication, in a clear sandwich bag. Please ensure both the bag and the medication are clearly labelled with your child's name.

Please bring the completed medicine form and any medication on the morning of the trip. We kindly ask that these items are not brought into school beforehand.

Attendance Fact

At Key Stage 2 in 2022/23, pupils with 95-100% attendance were 1.3 times more likely to achieve the expected standard in reading, writing, and maths compared to those attending 90-95% of the time. Missing just 10 days in Year 6 can reduce the likelihood of reaching the expected standard by around 25%.

**Homework
Talk**

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.
