Year 2 Koinonia - Next Friday!

Year 2 will be holding their Koinonia celebration next Friday, on the final day of term. Families are warmly invited to come into school from 2:30pm to enjoy a showcase of the children's work and share in their achievements.

After the celebration, you'll be able to sign your child out and take them home early. If you have other children in the school, they will be dismissed as usual on the playground at 3:15pm.

We're looking forward to welcoming you for this special end-of-term event.

Census Day is coming — Thursday 21st May!

Why does Census Day matter? We strongly encourage every child to enjoy a school dinner on this day. A significant portion of our school funding for the year is based on how many children have a school meal on Census Day. This funding helps us maintain high-quality resources and continue providing the best possible education for your children. Even if your child usually brings a packed lunch, please consider booking a school meal for Census Day — it really makes a difference!

Crayon Donations Welcome

Mrs Miles is kindly asking whether any families have spare crayons they would be willing to donate for use during lunchtime activities. Any contributions—big or small—would be greatly appreciated and will help keep our creative spaces well stocked.

Thank you for your support.

Year 5 will be performing their Poetry Show on Friday 5th June at 2:30pm.

Doors to the school hall will open at 2:15pm.

As this is a single performance, each child will receive two free tickets. To help us keep track of numbers, please book your tickets through Arbor in the School Shop.

Year 2 Trip

Year 2 are excited to announce that this year's school trip will be to Woburn Safari Park on 11 June. Pupils will explore the park, encounter a wide range of animals, and take part in a guided coach tour around the reserve.

The cost of the trip is £26.50 per pupil, which covers transport, park admission, and the safari coach experience.

This visit is always a highlight of the year, offering children a memorable day of learning and adventure. We're very much looking forward to it.

Sausage and Bacon Baps With the brighter weather on the way, we're delighted to share that our sausage and bacon baps will remain available every Friday morning. They're a great way to begin the day and are always a hit with families. If you'd like to order, please email dstewart@bpa.act-academytrust.org

Year 3 Trip

Year 3 Trip to Flag Fen Archaeological Centre

Year 3 will be visiting Flag Fen Archaeological Centre for their school trip on Friday 10th of July this year. Pupils will explore the Bronze Age site, discover fascinating aspects of ancient history, and take part in engaging hands-on activities.

The cost of the trip is £26 per pupil, which covers transport, admission, and all activities. Available to book on Arbor.

This trip is always a highlight of the year, and we look forward to a fantastic day of learning and discovery.

Fun Facts

The Earth is actually farthest from the Sun in July – Summer heat comes from the tilt of the Earth, not distance.

Fun Fact

Sunflowers actually follow the Sun – Young sunflowers track the Sun east to west each day.

Catch Up on Past Newsletters

Early development plays a role in children's success. The government's Best Start in Life strategy is strengthening children's early development by expanding high-quality early education and family support, helping more children start school ready to learn. Regular school attendance builds on these early foundations to support their future success.
