Weekly Round-up

Happy Friday Everyone!

Have you been in St Mary's and noticed our art work displayed? Each half-term a wide range of artwork from a range of year groups is framed and taken to church and displayed by Angie Bruce who is one of our Foundation Governors. It has been well-received by the church congregation. These are the artwork that are currently displayed if you have time please pop in.

We were delighted to receive not one but two mobile cooking stations in school today. We will be able to use these not just in Design Technology but across the curriculum. A huge thank you to the PTA and all of you that attend the events that help raise the funds for us to be able extend the offer for our children.

THINK IT.

We have been really fortunate to have Jennifer from Actious come in to school to help with Collective Worship. She has also set up two Prayer Stops with different themes in Lower School and Upper School that will allow the children to have chance to reflect on themes in Collective worship and contribute if they wish with a prayer.
