Weekly Round-up

Friday 21st April 2023

Happy Friday Everyone!

As a school we would like to say a huge thank you to the PTA for funding the refurbishment of the school pond. We would also like to thank the parents, pupils and staff that helped over the Easter Holiday to clear the pond with some professional help from Butterfields Ponds and Gardens. There is still a little work to be done but you will see from the photograph that it is looking fantastic and we hope that very soon that classes will be able to visit the area and participate in some nature study.

Term times

As the weather gets warmer but changeable, please ensure that your child still has a coat in school. Also a sun hat and that you apply to your childs sun lotion before school, when the days are predicted to be very warm.

The whole of Year 4 have just visited the Grafham Water Centre for our first residential trip where we had a fabulous three days. We exhausted ourselves with some exciting experiences and had opportunities to use our Skills Builder skills; we used our listening skills to learn how to use the canoes on the beautiful reservoir, our perseverance skills to climb up the 10 metre high climbing wall and our team-working skills to create a crate stack that almost reached the top of the building! We came away from our wonderful trip will lots of happy memories

Live it! - Eco tip

Shred netting before disposing of it. If you're about to throw out an apple bag, potato bag, or any other type of netting, make sure to shred the netting before you do so. Marine life can wind up entangled in the netting which can be fatal.

Click here to find out what is going on locally.

Homework Talk

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.

Acorn Adder Bluebell Bramble Dandelion

Fern Heron Kingfishers Magpie

Newt Otters Raven Willow Wren
