Weekly Round-up

Friday 9th June 2023

Happy Friday Everyone!

As the weather warms up and we begin to enjoy the summer, a reminder to ensure that your children have a water bottle, hat and sun cream applied each morning.

A huge thank you to the PTA for funding the Theatre Production to the whole school of 'The Secret Garden' next Thursday afternoon, we are very excited!

Term times

Breakfast with Moths

Come and see what species of moth have been found in local gardens overnight after enjoying a hearty breakfast!

PLEASE NOTE THAT THIS EVENT IS WEATHER DEPENDENT

If it rains the night before then unfortunately the event will be cancelled

Saturday June 17th

St Mary's Church

Buckden

8am

Tickets on the door

£3 adults : £1 children

Science day at St Neots Library on Saturday.
Scientists and engineers will lead hands-on science activities for teens and children (age 6-16). Limited spaces. Advance booking essential. The Library will be open till 7pm Wednesday. So you may get the tickets after work.

We had ID Image Development from St Neots come in on Wednesday to take our class photos. We were very lucky with the weather and we hope the children had fun. The photographers were very impressed on how well the children behaved and were lovely to work with.

Further information on how to view the proof photos online and how to order will be sent out to parents from the school office by Friday 16th June.

Check out 'Everything Environmental' on the website for plant-based recipes.

Live it! - Eco tip

Support fair trade. Many consumers have long been advocates of fair trade, the socially conscious decision to support sustainable clothing, food, and other items. By looking for the fair trade certified logo on items, you'll be supporting fair pay and working conditions for farmers and producers, as well as eco-friendly practices that work to minimize our environmental footprint.

Homework Talk

Linking learning from the classroom to life at home can help to improve language and communication skills. We will continue these discussions in class next week.

Acorn Adder Bluebell Bramble Dandelion

Fern Heron Kingfishers Magpie

Newt Otters Raven Willow Wren
