## **Harvest Festival- Monday 25th September**

**We will be having our annual Harvest Festival on Monday 25th September at St Mary's Church. If you would like to make a food donation please send it with your child/children on the morning of the festival. All donations will go to Godmanchester Foodbank to help them continue to support our local community. Please can you send food products that have a long life such as cans, jars and packets. If you are able to help walk your child's class down to the Harvest festival and attend please let your class teacher know.**

Year 4 have had a fantastic day trip to Cambridge on Thursday.

We visited the Fitzwilliam museum where we learnt how to appreciate the Jan Davidsz de Heem's still life painting. The museum curator talked us through the painting and how to closely observe the details. We also looked at the famous landscapes of Lowry and Monet. Lunchtime was spent outside in the sunshine on the grounds of the museum.

After a gentle stroll through Cambridge we arrived at the Zoology museum. We had a busy time exploring rabbit and turkey bones and discovered some amazing specimens and skeletons in the gallery.

The children behaved beautifully and everyone had an educational and fun day.

Thank you to all parents, carers and our volunteers who made this trip possible.

Just a reminder that ID Image Development, will be coming into school next week on Wednesday 20th/Thursday 21st September to take our school individual photographs of the children.

Further details on how to view your proof photo's and order online for prints will be sent out at a later date.

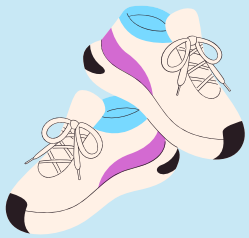

Links to the half termly newsletter from teachers were sent out this week.

You can also find them and each year groups newsletters plus lots more on our website on the [Helping Your Child](#) page!

Just a reminder that we would like the children's PE kits in school at all times, just in case of timetable changes at the last minute or we have special events happening on a non PE day.

PE kits can be brought in on a Monday morning and then if needed can go home on a Friday to be washed!

We currently have a couple of school vacancies. For further details please [Click Here](#).

Please be mindful of parking around the school and the local area. There are a number of parking restrictions around school that are there to keep our children safe. Please can you adhere to these restrictions at all times! Also when parking in the local neighbourhood please do not park across driveways or too close to corners.

### Live it - Eco tip!

Get electronics **repaired** when possible. Don't throw your electronics  
out so they add to waste in landfills - fix the problem instead!

## Homework

## Talk

Linking learning from the classroom to life at home can  
help to improve language and communication skills.  
We will continue these discussions in class next week.
