

Buckden CE Academy Weekly Round Up

Friday 17th January

Welcome to our weekly news Round-Up which we hope will help you keep up to date with all that happens in school.

It has been brought to our attention that some children are kicking balls and playing football on the playground before school in the mornings. If your child finds a ball on the playground can they hand it in to their classteacher. Football and kicking games must not be played first thing as the playground is a crowded area with parents, young children and babies in buggies, and we wish to avoid any potential accidents or mishaps.

School Parliament

The school parliament met this week and have decided that they would like to raise money for the charities who have been helping animal victims of the devastating bush fires in Australia. The date chosen for the event ties in with Australia Day on 26th January.

The members of the Parliament have had the idea of having a Bring and Buy sale. The sale will take place on Tuesday 28th January in the school hall from 3.15 pm – 3.45 pm. We are asking children to bring in unwanted items that could be sold. Books, toys, games and other items would be acceptable. They need to be of good quality and suitable for children of all ages. Please do not send in adult gifts such as alcohol and candles.

The sale also ties in with our curriculum – we are recycling unwanted goods and being environmentally aware. All items will be sold for 50p.

All items for the sale should be brought in to classteachers.

School Project

We have a parent who is making a rag rug for a school project to show how we can repurpose and reuse things that may otherwise end up in the bin. To help with this project we are asking for parents help. We need donations of material that doesn't fray easily, ideally in shades of blue, green, purple, grey and cream (water colours). If any parents or friends have old sheets, duvet covers or curtains that have had their day please consider donating them to the school to help with materials for the rag rug. We are also happy to have old fleecy type fabrics and light blankets etc. Please don't go out to buy new materials – the object is to recycle old material.

Thank you.
