Friday 7th February

Welcome to our weekly news Round-Up which we hope will help you keep up to date with all that happens in school.

Koinonia Afternoon – Friday 14th February

On Friday 14th February we will be having our Koinonia afternoon. The school will be open at 2.00 pm for parents and grandparents who are invited by the children to share the work they have done this half term.

During the afternoon the PTA will be in the hall selling refreshments. Please can the parents of children in Year 4 provide cakes for this event. Please contact the PTA if you are able to help serve refreshments –we really do need extra hands. We would like to create a rota for those helping with refreshments to enable all parents to have the time to see their children's work.

Children will be released to their parent or carer and are able to leave school once they have shared their work. All children who leave early must be signed out with their classteacher.

Thank you.

Can you help?

If anyone has any spare underwear (boys and girls), tights or socks they could donate to the school we would be very grateful. They are used as spares in case of accidents or falls to replace damaged clothing.
Thank you for your help.

Grow Social

The Royal Horticultural Society is having a 'Grow Social' initiative during the month of April. We will be inviting members of the community to come into school during April to work with the children in our outside area. Gardening can bring people together, helping to connect us with each other, ourselves and with nature. Please register with the office (office@buckdenacademy.org) if you are interested in joining us. Further details will be available nearer the time.

Talk Homework

Talk homework is linked to the learning taking place in the classroom. It is expected that you spend some time with your child discussing the talk homework. This will help to improve language and communication skills. The discussions will be continued in class during next week.
