14th January 2020

Dear Parents

This term as part of our Global Learning curriculum Year 2 are studying Goal 6 ‘Clean Water and Sanitation’. To compliment the work we are doing in school we would like to take the children to visit Grafham Water to learn more about where our water comes from.

The visit will take place on Thursday 23rd January. Whilst at Grafham, the children will be given a short talk about what happens at Grafham Water, what a reservoir is and how water is cleaned. They will also learn about the history of the reservoir. The children will have an opportunity to have a walk and see the reservoir too. The trip will take place within school hours.

For the visit the children will need

- to wear school uniform, with a warm coat.
- a packed lunch with a carton of drink (no flasks, bottles or cans please).
- a snack and their filled water bottles.

We will be travelling on the school mini bus. To cover the cost of fuel and insurance we are asking for a voluntary contribution of £1.00.

For the trip to take place we will need some adult helpers to accompany us. If you are available please talk to your child’s classteacher.

Yours sincerely,

Mrs Tarpey, Mrs Jaynes and Mrs Farmer
Year 2 classteachers
