6<sup>th</sup> March 2020

Dear Parents/Carers

On Thursday 26<sup>th</sup> March, Year 6 and Year 4 will be visiting Grafham Water to take part in 'March for Water' for WaterAid. This visit links with our recent Global Learning topic 'Clean Water & Sanitation' and will allow the children to find out more about WaterAid and what the charity does.

The children will be travelling by coach but there will be no cost for this visit. They will need a warm coat, sensible shoes, their filled water bottle and a healthy snack. They will return to school by lunchtime.

Please complete the attached permission slip. Your child will be sent home with a photo permission form so that any photographs or videos may be used by Anglian Water – please could this be returned to school by Friday 20<sup>th</sup> March. If you would like to send in a donation for the charity Water Aid, please hand it in to the school office in a sealed envelope.

In addition, the children have been asked to design flags to carry whilst they are walking. These can be decorated with pictures representing the importance of water and of Water Aid as a charity. If the children want to make a flag, we are asking them to complete them home over the next few weeks and bring it into school on Thursday 26<sup>th</sup> March, ready for their visit to Grafham.

Kind regards,

Year 6 and Year 4 Classteachers
