Term Times

Happy Friday Everyone!

We are very proud to announce that Buckden Primary Academy has achieved the Silver Accreditation for Rights Respecting Schools Award.

A very big thank you to Mrs Woodward for all the hard work she has put in, she is a truly passionate advocate, as well as all our fabulous staff for implementing activities with passion, hard work and inspiration.

After our assessment we have been encouraged to go for gold in the next 18 months as we are already hitting many of the targets needed. A huge thank you to everyone who contributed.

We welcomed Steve and Tash from ID Image Development today to take our class photographs of the children and their teachers.

The weather was fabulous and all the children were very well behaved, we hope they had fun too!

We look forward to seeing all the photos.

Details of how parents/carers can order prints will be sent out by email next week.

# Trail ends 1<sup>st</sup> June!

If you've not been to enjoy Cambridge's sculpture trail – it's a must-see before the 1<sup>st</sup> June. We've had some raving reviews.

## SEND US YOUR SELFIES!

Whether you've been, or plan to go, please send us your photos and a short review of your visit so we can display it in school.

A great, free family day out"**

**"We went straight to the Grafton Centre to find Geronimo, then followed the map searching for all the other incredible giraffes – there were so many. It was difficult to choose our favourites, but we loved the ice cream giraffe and also the Nelson Mandela one!"**

# Lost Property!

We have a growing mountain of lost property. Please encourage your child to look in the lost property boxes by the first aid area during playtime and lunch break to look for missing items. Any left over items by half term will be donated to the PTA. Many thanks.

Live it - Eco tip!

Avoid single use items. Plastic bags, cups, and utensils probably come to mind first when you think of how you can reduce your plastic waste, but there are other single-use items that we need to remember. Most of the time, cotton swabs and balls are only used for a few seconds and are then tossed in the bin. See what single-use items you can eliminate in your daily life!
